

Apple Tree Cottage Lowick

Offers above £440,000

Video Gallery : thisiskevinarcher.com/apple_tree_cottage_video_gallery

We are pleased to offer to the market **Apple Tree Cottage**, this beautifully-presented 2/3 bedroom detached bungalow offering spacious open plan living and stunning countryside views. Additionally, this property offers a one bedroom annex, beautiful garden grounds, ample off-street parking and a large detached studio.

Situated at the top of a long drive, away from the main street in the village of Lowick, adjacent to the local school field and with long-distance views to the Kyoie Hills, **Apple Tree Cottage** offers comfortable and flexible living over one floor.

A spacious conservatory entrance leads to the stunning open plan lounge / dining room / kitchen. The large lounge features a vaulted double-height ceiling, feature multi-fuel stove and is a great space for entertaining. Remote-control full blackout blinds allow a year-round home theatre experience on a large 3m x 1.5m screen.

The lounge leads to the extensive kitchen and dining area. The kitchen offers a range of shaker wall and base units, a composite countertop, integral appliances including dishwasher, fridge and freezer (both full height) and an induction hob with an extractor fan above, set within a large island with cupboards and power points. The dining room off the kitchen offers a sliding door to the patio and garden beyond. **Apple Tree Cottage** has two double bedrooms supported by a family bathroom, and a single bedroom adjacent to a family shower room. This third bedroom is currently employed as a utility room with washer and tumble-dryer above.

Outdoors there is a large gravelled parking area in front and to the side of the property, suitable for half a dozen or more vehicles, a south-facing patio and lawn off the dining room with long open views across fields towards the Kyoie Hills and The Cheviots beyond. The landscaped gravelled garden to the rear of the cottage has two raised beds constructed from reclaimed railway sleepers and a large apple tree. In addition, the property includes a large fully-refurbished and well-lit studio which has a variety of uses. Currently used as a craft room, the studio benefits from a kitchenette and wood burner and could easily be a home office or artist studio. Adjacent to the studio on one side is a WC and storeroom and on the other, a good-sized garden shed.

Fircones is a detached one bedroom annex at the very top of the drive which provides additional living space, perfect for extended family members, guests, or even for use as a home office. Currently used as a holiday rental, it offers a bedroom, bathroom, an open plan kitchen / sitting room with oven, hob,

extractor fridge and washing machine, WiFi and long views across open fields.

Much more detail can be found here: thisiskevinarcher.com/fircones.
